MOTION TO EXTEND TIME FOR FILING MOTIONS

In accordance with Local Criminal Rule 12.1(b), M.D.N.C., the Defendant, by and through undersigned counsel, hereby moves to extend the deadline for filing pretrial motions and responses in this case by one week. In support of this request, counsel states as follows:

1. The Defendant was arraigned on January 2, 2014, and the Defendant's case was bound to a scheduling order which established January 15, 2014, as the deadline for filing pretrial motions.

2. Undersigned counsel has already received and reviewed substantial discovery from the Government. Counsel recently requested certain additional discovery, in particular, additional data from the Government's forensic examination of the Defendant's computer equipment. However, counsel has not yet received that additional information. Also, counsel is still gathering information regarding the Defendant's physical and mental health history. Thus, additional time is needed in which to review discovery, consult with the Defendant and otherwise prepare and file

any appropriate pretrial motions.

3. Assistant United States Attorney Anand P. Ramaswamy advises that the Government does not object to the requested extension.

For all these reasons, the Defendant requests that the Court extend until Wednesday, January 22, 2014, the pretrial motion deadline in this case, and extend until Wednesday, January 29, 2014, the deadline for responses thereto. The Defendant submits that the ends of justice are best served by granting this extension, and that they outweigh the interest of the public and the Defendant in a speedy trial. Accordingly, the delay occasioned by the granting of this extension should be excluded in computing the time within which the trial of any such offense must commence. See Title 18, United States Code, Section 3161(h)(7).

Respectfully submitted this the 15th day of January, 2014.
